

The background of the entire image is a dense, repeating pattern of various tropical leaves. The leaves are in shades of blue, red, yellow, and green, with some having detailed vein patterns and others being solid colors. They are arranged in a way that fills the entire frame, creating a vibrant and lush tropical aesthetic.

INFORMACION GENERAL GENERAL INFORMATION

Las descripciones y medidas de los productos del presente catálogo son orientativas, pudiendo por tanto ser modificadas, a fin de mejorar las características técnicas o de diseño. La empresa se reserva el derecho de anular o modificar cualquier modelo sin previo aviso. Todos los modelos cumplen las normas exigidas por la CE para iluminación de uso doméstico.

Para una buena conservación de las lámparas, no usar bombillas de potencia superior a las recomendadas y limpiar solamente con un paño seco. No usar limpiametales ya que dañan los barnices protectores que garantizan la duración del acabado.

The descriptions and dimensions of the items in this catalogue are indicative and may be modified for the purpose of technical or design improvements. We reserve the right to cancel or change all models without prior notice. All items meet the CE regulations for home lighting appliances.

Do not use stronger bulbs that recommended, and always clean lamps with a soft dry cloth. Metal polish will damage the protective finishings.

Les descriptions et dimensions des produits de ce catalogue sont données à titre indicatif, et peuvent donc être modifiées afin d'améliorer les caractéristiques techniques ou de conception. La société se réserve le droit d'annuler ou de modifier tout modèle sans préavis. Tous les modèles répondent aux normes exigées par la CE pour l'éclairage à usage domestique.

Pour une bonne conservation des lampes, n'utilisez pas d'ampoules d'une puissance supérieure à celle recommandée et nettoyez uniquement avec un chiffon sec. Ne pas utiliser de nettoyeurs pour métaux car ils endommagent les vernis de protection qui garantissent la durée de la finition.

Le descrizioni e le misure dei prodotti presenti in questo catalogo sono indicative, pertanto potranno essere modificate al fine di migliorarne le caratteristiche tecniche o di design. L'azienda si riserva il diritto di cancellare o modificare qualsiasi modello senza preavviso. Tutti i modelli soddisfano gli standard richiesti dalla CE per l'illuminazione di uso domestico.

Per una buona conservazione delle lampade, non utilizzare lampadine di potenza superiore a quella consigliata e pulire solo con un panno asciutto. Non utilizzare detergenti per metalli in quanto danneggiano le vernici protettive che garantiscono la durata della finitura.

Die Beschreibungen und Abmessungen der Artikel in diesem Katalog sind indikativ und können zum Zweck der technischen oder Designverbesserung geändert werden. Wir behalten uns das Recht vor, alle Modelle ohne vorherige Ankündigung zu streichen oder zu ändern. Alle Artikel entsprechen den CE-Vorschriften für Heimbeleuchtungsgeräte.

Verwenden Sie keine stärkeren Glühlampen als empfohlen, und reinigen Sie die Lampen immer mit einem weichen, trockenen Tuch. Metallpoliermittel beschädigt die Schutzschicht.
