• DEA AMATA

Everybody loves the Dea Amata. It is one of our most popular luminaires. That's exactly why we called it Amata. This means 'loved' in Italian. In its own way, she makes you feel at home. Exactly in the colour that suits you. Caring, reliable, timeless. That's how love should be, right?

• BORDO

When it comes to wine, we select and drink a bottle based on all five of our senses – taste, smell, touch, sight and even sound. When it comes to a luminaire, besides the basic parameters like CCT, flux, efficiency, controls, we choose at first according to the design – material, size, shape, colour. Let the elegant Bordo surprise you.
